Dear Mr. Kaufman:

I am writing to you on behalf of our high school district administrators and staff that expressed their comments and reviews related to your product the "CigaretteBuster" system. Everyone has stated that this system has done an outstanding job enforcing our district's smoke-free policy and eliminating smoking in the building 100%.

Our students have even commented on how wonderful it is to go into smoke-free school bathrooms. It is a pleasure to receive a service/product that lives up to their advertising and does what it claims to do.

We will certainly recommend your system to other schools. We are definitely satisfied with the "CigaretteBuster". It has provided our school district with "A Smoke Free Environment". Thank you for your excellent product.

Sincerely yours,

Frank A. Onorato
