To Whom It May Concern:

Please be advised that the Dennis-Yarmouth Regional High School has incorporated the CigaretteBuster System into a few of our student bathrooms. The results have been effective in intervening and identifying smokers. We only wish that we were able to install these devices in all of our student bathrooms. The health and welfare of our students and staff is of paramount concern and the CigaretteBuster System is helping us to address this seemingly ageless concern.

For further information or any questions, which you may have, please feel free to contact me at 508-398-7637.

Sincerely,

G. Anthony Morrison M.Ed. LMHC, LSW  
Assistant Principal
